Re: **Georgia District Convention: August 19-20, 2022**
“Impacting the World through Service”

Hello everyone! I hope you are all enjoying a fun and safe summer!

Your Georgia District Leadership Team is very happy to be planning our 18th and final Georgia District Convention! We will convene in Atlanta, GA, at the Atlanta Marriott, NW, on Friday, August 19, at 1:00pm, and will conclude with the Governor’s Reception on Saturday evening, August 20, after our annual Banquet.

Our tentative schedule is attached for your reference. Please note this convention will include a report from our Civitan International President, Dan Brown, regarding the upcoming changes in Civitan International structure and the effect on our Georgia Clubs, as well as the outcome of the Civitan International Convention. Our gathering will include awards presentations, a memorial service for those Civitans lost this past year, recognition of VIP members, past governors, and much more. While we will not be electing new officers, due to the structure changes, we will be voting on the plan for dissolution of the district and disbursement of the treasury balance following payment of all outstanding obligations at the conclusion of our Civitan fiscal year.

We plan to include a hands-on service event early Saturday afternoon, and our Saturday night banquet will highlight a most impressive speaker, whom I know will inspire and encourage all of us as we head into a new Civitan year, making a real and profound difference in the lives of our fellow community members most in need. Yes, this is a teaser! I promise you won’t be disappointed!

The traditional Governor’s Reception will be held following Saturday night’s dinner, but rather than welcoming in a new governor, this event will recognize and honor all our

past district governors and provide an excellent opportunity for celebrating their work on our behalf and enjoying some social time as well.

Please note the Board will not meet during this convention, as we have met via Zoom prior, and there will be no outstanding business to conduct in August. While we hope to have a service activity Saturday early afternoon, you will have free time Saturday afternoon to explore Atlanta, check out the Battery, home of the Braves, (just minutes away) and relax with your friends and family. Similar to last year, the convention concludes on Saturday evening, leaving you free to leave Saturday after the festivities if you wish.

While we will no doubt face new challenges to stay connected in the coming years without the structure and traditions of our district, I believe we can and must continue to reach out to one another, share our victories and challenges, and support one another in our efforts to positively affect those in need in our communities. I hope you will all see the value in coming together as a district this final time to connect, share, have FUN, and plan for future impactful activities!

We hope you all will thoughtfully consider joining us in Atlanta. Every Civitan's input is sincerely welcomed, enthusiastically encouraged and highly valued! If you have additional items you'd like to see added to the agenda, please contact Governor Pam Brems (pamelabrems@gmail.com) and/or me as soon as possible.

Attached you will find the following:

- Tentative Convention Schedule
- Key Information Summary, including what to bring, how to register, pricing, and much more
- Voting Delegates Form
- Registration Form

Please share this information now and at every opportunity with your club members! Look forward to seeing you in Savannah!

Regards,

Ginny Herring
