** This location is a 5-minute drive to the Battery and SunTrust/Truist Park. This weekend is a home series for the Braves vs. the Astros. Game times have not been announced, but you may be able to squeeze in a game during our convention festivities. Regardless, the Battery has a huge number of entertainment and restaurant options available to all!

The Atlanta Metro area has also been selected to reduce the cost to the District, and to provide some convenience for the Governor and Governor Elect, both of whom live in the area.
